## NJTPA TIP Revision Protocol

In 2012, the NJTPA Board of Trustees adopted the attached revised Memorandum of Understanding (MOU) for Statewide Procedures for TIP/STIP Revisions.

Based on the TIP revision protocols outline in the MOU, NJTPA Central Staff has identified submittal dates for TIP revisions that will be applied to the Project Prioritization Committee (PPC) meeting schedule for calendar year 2024. The following TIP Revision Protocol schedule provides timeframes for the NJDOT, NJ TRANSIT, PANYNJ, Gateway Development Commission, and local subrecipients of federal USDOT funds to follow when requesting a TIP modification or amendment, which will provide Board members and their staff sufficient time to review proposed TIP revisions. These dates are as follows:
