

# NEW JERSEY BROWNFIELD SUMMIT

Wednesday,  
June 12, 2024  
8:30AM – 12:30PM

NJIT Atrium,  
Campus Center  
Newark, NJ

# Building Resilient Futures From Brownfield Pasts

Calling all changemakers involved in transforming contaminated or potentially contaminated properties into community assets! Join us at the New Jersey Brownfield Summit: Building Resilient Futures from Brownfield Pasts. Learn how to view the redevelopment of your brownfield sites through the lens of resilience to climate change impacts.

## The summit will include:

- Tools you can use to better understand the potential climate vulnerability of your community and brownfield development area
- NJ success stories of transformed brownfield sites into resilient spaces
- Funding sources for your brownfields redevelopment, and more!

Register for the NJ Brownfield Summit here:
