

DESIGN CHARRETTE

WEDNESDAY

June 10, 2026

6:00 PM to 7:30 PM

**JFK Boulevard (CR 501)
Safety Improvement Projects**
from **Route 139 to Secaucus Road &
from Pavonia Avenue to St. Paul's Avenue**

Jersey City, NJ

A design charrette is a collaborative workshop where you can meet the project team and work together to brainstorm and develop design solutions. This is a hands-on activity for all ages.

Come out to Leonard Gordon Park where Hudson County is hosting a charrette to gather your input towards the ongoing redesigns of two segments of JFK Boulevard:

Route 139 to
Secaucus Road

Pavonia Avenue to
St. Paul's Avenue

Please stop by to share your experiences and vision for the future of these segments of JFK Boulevard!

This roadway safety project is administered through the FY2024 Local Safety Engineering Assistance Program (LSEAP). LSEAP is funded by the Federal Highway Administration through the North Jersey Transportation Planning Authority.
