

DESIGN CHARRETTE

MONDAY

June 8, 2026

6:00 PM to 7:30 PM

**Paterson Plank Road (CR 681)
Safety Improvement Project
from Harrison Street to South Wing
Viaduct (aka Manhattan Avenue)**

Hoboken, Jersey City, & Union City, NJ

A design charrette is a collaborative workshop where you can meet the project team and work together to brainstorm and develop design solutions. This is a hands-on activity for all ages.

Come out to Washington Park where Hudson County is hosting a charrette to gather your input towards the ongoing redesign of Paterson Plank Road from Harrison Street to South Wing Viaduct. Please stop by to share your experiences and vision for the future of this corridor!

This roadway safety project is administered through the FY2024 Local Safety Engineering Assistance Program (LSEAP). LSEAP is funded by the Federal Highway Administration through the North Jersey Transportation Planning Authority.

WASHINGTON PARK PAVILION

399 Webster Avenue (at the southwest corner of Paterson Plank Road & Webster Avenue)
Jersey City, NJ 07307

In the event of inclement weather, the charrette will relocate to the Bruce D. Walter Recreation Center.
