Virtual Public Information Meeting

JFK Boulevard (CR 501) Safety Improvement Project
from Route 139 to Secaucus Road & Pavonia Avenue to St. Paul's Avenue

Jersey City, NJ

Hudson County in partnership with the North Jersey Transportation Planning Authority (NJTPA) is hosting a Virtual Public Information Center to present proposed roadway safety improvements along two corridors of JFK Boulevard; from Route 139 to Secaucus Road, and from Pavonia Avenue to St. Paul's Avenue. This meeting will feature a presentation that showcases pedestrian, bicycle, transit, and motorist safety improvements. This meeting is open to all members of the public.

This roadway safety project is administered through the FY2024 Local Safety Engineering Assistance Program (LSEAP). LSEAP is funded by the Federal Highway Administration through the North Jersey Transportation Planning Authority.

To register for this virtual meeting:

Please visit bit.ly/jfkblvdjerseycity

Or scan this QR code.

Once registered, you will receive a Microsoft Teams link in your email to access the meeting.
